

Employ, enable, and empower your clients' workforces.

Deliver a comprehensive employee experience platform that simplifies business operations.

Many small businesses rely on HR consulting firms for improved recruitment, comprehensive performance management, and better training solutions. Your clients may be looking for solutions to simplify the day-to-day tasks as well. Partnering with isolved will help you provide more to your clients, since you can handle what you're best at: recruiting and HR management, while offering isolved, a connected HCM technology that's easy to use.

Your clients can minimize the time spent on tedious tasks, while improving accuracy and boosting engagement with isolved. This solution goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

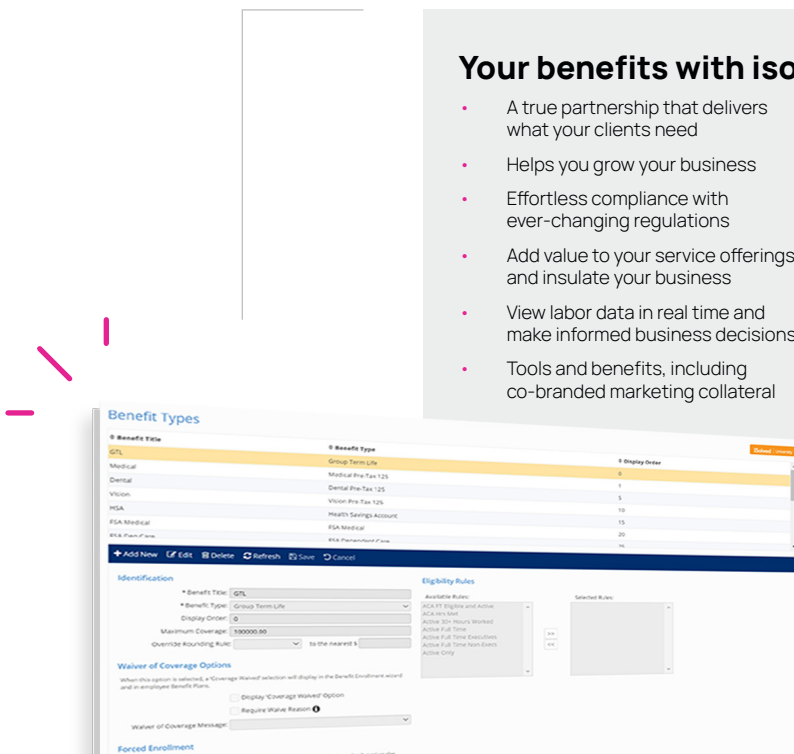

Your benefits with isolved:

- A true partnership that delivers what your clients need
- Helps you grow your business
- Effortless compliance with ever-changing regulations
- Add value to your service offerings and insulate your business
- View labor data in real time and make informed business decisions
- Tools and benefits, including co-branded marketing collateral

isolved Features:

- Workflows/Electronic Onboarding
- Multi EIN cross-company reporting
- Unlimited department levels for labor and general ledger
- General Ledger export
- Automated ACA tracking for all employee types
- One database for employee records, certifications, expertise
- Electronic open enrollment, carrier feeds, and COBRA integration

A partnership with isolved can help you become more effective in your HR consulting role while better serving the needs of your clients.

Transforming employee experience for a better today and a better tomorrow.
