

Employ, enable, and empower your manufacturing workforce.

Deliver a comprehensive employee experience platform that simplifies business operations.

Operating a manufacturing plant requires careful precision and staying on top of a variety of tasks. A small delay could result in a major loss in production that's hard to make up. Finding and using all available efficiencies is one key for success. *isolved* provides those needed efficiencies, coupled with a seamless connection throughout the entire employee journey.

This connected HCM solution goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

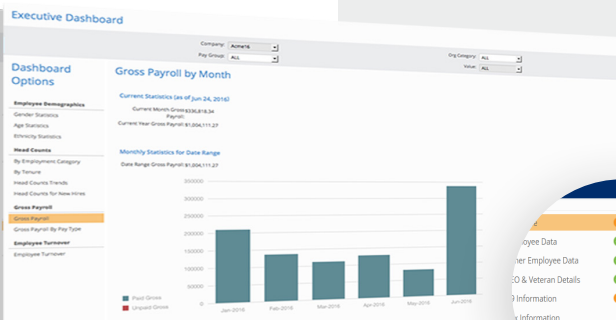

Your benefits with *isolved*:

- More time to focus on your manufacturing facility
- Effortless compliance with ever-changing regulations
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors, improving your bottom line
- Available rugged time clocks with biometric, proximity, bar code, mag stripe, and key punch data collection options, connected via Ethernet/mobile communications
- Manage and bring on new hires

isolved Features:

- Paperless onboarding
- Job costing/transfer punching
- Unlimited jobs
- Powerful, performance-ready mobile app
 - Employee access to schedules, pay history, time off requests, and more
- Rich compliance reporting
 - Executive Dashboard to control labor costs and OT
 - Real-time manager portal
 - Union reporting
 - Certified payroll
 - ACA reporting
- OSHA management and reporting
- Tracking Worker's Compensation
- Time worked: MRP/ERP data integration

Contact us today for more information on how *isolved* can streamline and simplify the way you operate your manufacturing plant.

Transforming employee experience for a better today and a better tomorrow.
